## Hotel Quinta Roja

The Hotel Quinta Roja is a family run, beautifully restored 16th century mansion in the heart of historic Garachico, on Tenerife's stunning north coast.

The hotel was once the home of the first Marquess of Quinta Roja, and retains all its original features, including the pine wood floors and ceilings. This charming family run hotel is full of historic character.

All rooms have on suite bathroom facilities and international TV, and are all outward facing.

The shaded hotel courtyard is in the traditional Canarian style with overlooking wooden balconies.

The courtyard has a marble fountain and a garden terrace with tables and chairs, where you can relax with a drink, or simply read a book.

Perfectly placed to explore the wonderful scenery of north Tenerife by car and experience authentic Tenerife, the hotel is far away from the purpose built mass tourist resort of the south.

Close by are the natural volcanic ocean rock pools for bathing and a public swimming pool with free use by guests.

Garachico itself is an authentic, charming small Canarian town, full of history and tradition.

Here you can experience the real Tenerife you won't find in any of the glossy tourist brochures.
